COMMISSIONERS' REPORT

To the Citizens of Grafton County:

Your Commissioners herewith present their report, together with the report of the Sheriff, Solicitor, Clerk of the Court, Jailer and Auditors, and the Superintendent, Physician and Chaplain of the County Farm, for the year ending December 31, 1928, and a statement of the financial standing of the County at the close of the year.

Appropriations are made for a period of two years and are largely based on what expenses have been during the two years preceeding. We are herewith submitting a statement of appropriations and payments covering the years 1927 and 1928.

The buildings in which are housed the inmates are built of wood with the exception of the jail which is built of brick, these wooden buildings are very old and expensive to maintain and are dangerous fire hazard and should be replaced with fire proof buildings which will do away with the fire hazard and reduce the cost of maintenance.

The Commissioners have secured plans and estimates for fire proof buildings which will be laid before the County Convention for consideration.

The Commissioners wish to extend their thanks to Mr. and Mrs. J. Earl Andrews for the faithful and efficient manner in which they performed their duties as Superintendent and Matron of the County Farm.

The Commissioners wish to extend to the Public in general and especially to those interested in the County Farm an invitation to visit and inspect this institution at their convenience.

The Commissioners further wish to extend their thanks to the various county and town officers and all others for their assistance in carrying on the work of the County.

Respectfully submitted,

GEORGE A. PUSHEE,

FRED PARKER,

JOHN GADD,

Commissioners.

Total cost of supporting paupers at County Farm

for year ending December 31, 1928 \$ 29,479.30

In accordance with Chapter 30, Section 1, Public Statutes, the Superintendent of the County Farm shall make up his report to January 1, annually, and also Section 2 of said Chapter requires that the Superintendent's report shall contain, in addition, a list of paupers actually supported at the Farm and the number of weeks each was supported; also a statement of the average cost per week for each pauper with an explanation of the basis upon which said calculations were made.

The whole number of persons supported and partially supported for the year ending December 31, 1928 was 160. The number of weeks board is ascertained by taking the number of days between the day of admittance and the day of departure of each individual and dividing that number by seven which gives the total number of weeks each was supported.

The whole cost of supporting paupers at the Farm for the year ending December 31, 1928 was 29,479.30. This sum divided by the whole number of weeks furnished viz. 4949 weeks, 5 days gives \$5.95 plus as the price per week.

In conclusion, I take this opportunity to thank the Commissioners, Chaplain, Physician and Employees for their co-operation during the year. I also extend thanks to the W. C. T. U, American Legion and many friends who have contributed gifts of flowers, magazines, clothing and many other articles. The special music furnished by the young people has added much to the pleasure of the inmates, and in fact the interest shown by outside friends has been greatly appreciated.

Respectfully submitted,

J. E. Andrews, Supt.

We hereby certify, that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1928 and find them correctly cast and properly vouched.

GEORGE A. PUSHEE,

FRED PARKER,

JOHN GADD,

Commissioners for Grafton County.

CHAPLAIN'S REPORT

To the Honorable Commissioners of Grafton County:
Gentlemen:-

In submitting this my first report, I wish to express my gratitude to all who have so generously helped to make our association with the County Farm so enjoyable. We have not only found perfect cooperation from every one in our work, but have been made to feel that we "belong." All have done their best to make us welcome.

The service held every two weeks has the hearty support of Mr. and Mrs. Andrews, the Supt. and Matron and Mrs. Chas. Little is a faithful organist, and others help by their presence and sympathy.

It was gratifying to work with the W. C. T. U. in helping to make Flower Mission Day one of great joy and comfort to the inmates, and our thanks are due to all who helped in the entertainment on that day.

Christmas was kept in the good old way, and after a generous spread of good things at dinner, an entertainment and Christmas tree was held in the chapel. Workers had been busy making the chapel look Christmasy and the trees were well laden with gifts. The entertainment was given by the young people from the church at North Haverhill assisted by Mrs. Hazel Eastman and Miss Francis White, and Mrs. Sadie Carr gave several readings in a very pleasing manner.

Our thanks are also given these same young people for their help in singing in the chapel services and in the hospital and wards. Their singing has been enjoy-

ed very much by the inmates and patients, and we are grateful to the nurse Mrs. Hope for her co-operation.

We are glad to note the sympathetic attitude of every one towards the inmates, and the willingness to help to bring a little brightness into their lives. We are richer in our friendships through having met the Commissioners, and staff of the Grafton County Farm.

Respectively submitted,

GEORGE THOMAS,

REPORT OF COUNTY PHYSICIAN

To the Honorable Commissioners of Grafton County:

Gentlemen:-

The hospital, which is under the management of Supt. and Mrs. J. E. Andrews, has enjoyed a smoothness of running such as is seldom found in like institutions. The policy of the commissioners to allow any surgeon in the county to operate on any patient that he refers to the hospital has been continued with satisfaction to all concerned.

During the past year the hospital has been of more service to the county than ever before and its work is steadily increasing. As in previous years, most of the patients have been suffering from chronic disease, together with the infirmities of age. Its equipment is modern and is prepared to serve both medical and surgical cases. There has been installed an electric refrigerator, which is proving an economy.

Besides those in the hospital many patients have been attended in the Almshouse, Jail and House of Correction. Mrs. Mabel Hope is now our head nurse and her work is entirely satisfactory. At intervals, when necessary, other nurses have been employed to assist her.

For the cooperation of the commissioners I wish to express my appreciation. To all those who have worked in the hospital, I express my thanks.

Respectfully submitted,

ELMER M. MILLER,

County Physician
